The Kings Jr. Fair Board has established a tradition of presenting trophies and special awards at the Kings Fair. These trophies and awards honor the significant accomplishments of those junior livestock exhibitors who have chosen to compete at the fair. The Kings Jr. Fair Board finances these trophies and awards through various fundraising projects as well as through community support. The support put forth by the community is very important. It is deeply appreciated by all who are involved in the various junior livestock competitions and activities held during the fair.

The Kings Jr. Fair Board has also undertaken educating the public regarding the importance of agriculture. In 1998, the Jr. Fair Board established the “**Kid’s Ag Center**” and “**Champions Row**”. While “**Champions Row**” houses both the Grand Champion and the Reserve Grand Champion of the various market animals, the “**Kids Ag Center**” houses a wide variety of educational materials. Through the “**Kids Ag Center**”, informational videos are presented to the public, story hours as well as arts and crafts for pre-schoolers are held, tours are conducted and various educational activities for school-age children are sponsored. Due to its tremendous success, the “**Kids Ag Center**” has more than doubled in size. The number of children visiting the “**Kids Ag Center**” continues to grow each year.

Please help us to continue the tradition of presenting trophies and special awards at the Kings Fair and/or help us to provide the general public with a better understanding of agriculture and its importance in all of our lives. Your support of the Kings Jr. Fair board in either of these endeavors would be greatly appreciated.

Again, we thank you for your consideration!  
YES, I wish to assist the Kings Jr. Fair board with their:

\_\_\_\_\_ Trophy and Awards Program (\_\_\_\_\_)  
*To indicate a specific award/species, if so desired*
